

LEADHILLS COMMUNITY COMPANY LTD

Board Meeting 6th August 2018

Hopetoun Arms

Present:	Martin Pinkus	Director
	Sue Pinkus	Treasurer
	Rab Campbell	Director
	Pat Wilders	Acting Chair
	Carsten Kresell	Director

Fire Station: Do we want Donald Noble to contact them? Yes.

Donald Noble: 1st email: potential workspace at Elvanfoot – Estate drawing up plans and ideas.

Toilets will help if at all possible but Company not following on with this at the moment.

He recommends Clyde and Avon valley Landscape Partnership. This needs to be investigated further to see if of any use to us.

2nd email: plan for gap sites was attached. At some future point we should go around the village looking at this and trying to evaluate sites of use. Also, in conjunction with Andy Wightman's information confirm who owns what.

Andrew Thin. Notes not sent with original letter from us.

Research Project: Phone interview with Pat Wilders set up. Aberdeen Univeristy is undertaking this for the Land Commission. Background to Company given and set backs and current position clarified.

Newton Estate. This is obviously over priced. If possible it would need a visit in order to see if of any use to the Company. Obviously easier as would be a willing seller. Details given by Sue Pinkus to Pat Wilders.

AOB: Membership Registration Form. Updated form given to Rab Campbell to follow up.

University of Strathclyde interview with Rab.

Actions: Pat Wilders to forward copy of fire station lease to Carsten.

Sue Pinkus to email Andrew Thin with copy of notes of meeting with Noble and Hopetoun.

Meeeting ended 5.30pm
